

Psychiatric section of Czech National Nurses Association  
HORATIO: European Psychiatric Nurses

## II. European Psychiatric Nursing Congress: **Building Bridges**

15th - 17th April 2010  
Hotel Pyramida  
Prague, Czech republic

### Congress Theme:

We have chosen a subheading **Building Bridges** for II. European Psychiatric Nursing Congress. A bridge allows people to cross an obstacle, connects or reduces distance. We would like to offer participants an opportunity for building their own bridges by sharing knowledge and experience.

### Congress Program:

The congress offers a forum for the professional exchange of knowledge and skills related to psychiatric nursing. More than 80 abstracts of sessions, workshops and posters from 25 countries has been accepted by scientific committee.

Preliminary program is available on websites.

### Key congress topics:

- » Mental health and maternity
- » Depression and suicidal behaviour
- » Acute and forensic psychiatric nursing
- » Mental health care from users and relatives' perspective
- » Education in mental health nursing

Official language:  
English, Russian, Czech

Psychiatric nurses from all over Europe,  
come and meet in the heart of Europe in Prague.
